# Star Count

**Identify the constellation Orion and count the stars contained within the constellation to work out the amount of light pollution in your area.**

- **Star count is annual survey to help identify the amount of light pollution around the country.**
- **Star Count takes place during the darkest skies from Saturday 6 February – Sunday 14 February.**
- **Visit:**  
<https://www.cpre.org.uk/what-we-care-about/nature-and-landscapes/dark-skies/star-count-2021/> to find out how to take part in Star count
