

# **Stone Tower Sculptures**

**How to build your stones Sculptures.  
What shapes to use.  
Where to build them.**

**This is quite a simple task and can  
be done on the beach, near a stream  
or in the woods.**

**You only need 4 ingredients.**

- **1. Flattish type stones as in the pictures.**
- **2. A keen eye for design**
- **3. Patience**
- **4. Good balance (not you, the stones)**

**It's quite simple you build your  
towers using as many stones as you  
can without it falling over and it  
looks good.**
