

# Allocation process for Glasgow Schools and Groups

Blairvadach Outdoor Education Centre | October 21, 2021

## Qualifying Criteria

- Schools will be ranked by the following criteria:
- Stage 1. Priority will be given to those schools who have not received the visit type they have requested for the longest period of time. Visit type includes Mid week, weekend or holiday time residential experience.
- Stage 2. Where schools have not received their chosen visit type for the same length of time, priority will be given to those highest on the SIMD
- Stage 3. Where there is still space in the programme space will be allocated to groups of the appropriate size. This does sometimes enable smaller groups to be allocated more frequently than larger groups.
